

"Without confidence and love, there can be no true education. If you want to be loved, you must love yourselves, and make your children feel that you love them" St John Bosco

PRINCIPAL NEWS

Next week our wonderful student teachers Lucinda, Belinda and Katie will be completing their final rounds before becoming teachers in their own right. We thank them for all they have brought to our school and we wish them all the best in their future. All three will make wonderful teachers and any school that employs them will be better because of them.

A reminder to all parents to make sure you check out the Parent Code of Conduct and Complaints handling procedures on our website under the My School heading.

Once again, in relation to parents and conduct please be mindful of what you say about other parent's children. To label a child is counter productive to everything we do. If you would not like people speaking about your child negatively then you have no right to be doing the same about another child. They say in order to raise a child successfully it takes a village.

This phrase is taken from an African proverb that says: "It takes a village to raise a child", which means that a child will thrive only if he lives surrounded by people who have a sense of community. To have a sense of community we need to be united.

Whole School Mass

Friday Mass time will now be **12:45PM**. Year 3 is preparing this Mass tomorrow. The theme is 'Eucharist- Bread of Life'. The Year 3 students have been finding out about the parts of the Mass and the significance of each leading to the Consecration. This will be great preparation for the Sacrament of Eucharist next year.

Sacraments 2019

Sacrament of Eucharist will be over two weekends- Saturday 27th of July and Saturday 3rd of August. Confirmation will be on Saturday 14th of September.

Religious Education Display

The Year 2 students have been finding out about Pope Francis and the role he plays as head of the Catholic Church. They have made some portraits of the Pope and written letters to him. They have also been investigating saints and why they are an important part of our Catholic Tradition. Well done Year 2's!

Wipe Out Waste: Caring for God's Gift of Creation

We have been collecting food scraps for the green waste bin. This has greatly reduced landfill- lots of uneaten fruit and sandwiches!! September is the month of prayer for the Care of Creation. We are called to care for this home of ours, ensuring the wellbeing of the planet for future generations.
