

"Without confidence and love, there can be no true education. If you want to be loved, you must love yourselves, and make your children feel that you love them" St John Bosco

PRINCIPAL NEWS

Well, another term has gone and summer is on our doorstep. Thank you to everyone for their support of our beautiful children and wonderful staff. We hope you all have a great break and we look forward to working with you in 4th term.

I will be absent for the first 3 weeks of next term as I am having a knee replacement over the holidays. All being well I will be up and running in time for the dunking machine at the school fete. I know how much money is riding on my near drowning.

While I am away Marc Guzzardi will be Principal and will be ably supported by Sommer Azzopardi. I will still be communicating with them on a daily basis, however the day to day running will be in their hands.

Good luck to those people who still have a team going around in the AFL.

Thank you to our three student teachers who finish their rounds tomorrow. We wish them luck in their future endeavours. You may still see them around assisting in classrooms next term.

Next term we have a number of orientation sessions for our prospective 2019 preps. These sessions assist the children in their transition to school and help us to gauge their preparedness for school and assist us with classroom allocations.

CASUAL CLOTHES DAY TOMORROW

As it is the last day of term, the children are able to wear casual clothes tomorrow.

As we collected gold coins for the Australian Farmers Appeal yesterday, we are not asking for a gold coin this term.

SCHOOL PARENT LIAISON

Thank you to all parent helpers for your hard work and effort this term with your help in the classroom and within our school.

A reminder that the 20 min parent helper program runs only term 2 and term 3. It will not run next term.

RE NEWS

And so, we come to another end of term! So much wonderful learning in Religious Education has been achieved throughout the year levels. I am very impressed with all the children's efforts which have been evident in the displays throughout the school.

You would be amazed at the amount of snap lock bags we collect in a short time- hundreds! How can we reduce the use of these bags in order to reduce the amount of landfill we generate as a school?

WELLBEING NEWS

How to Flip a Flop

Our Year 2s are really showing us how to bounce back from tricky situations and build that growth mindset. You'll see some fantastic examples outside of 2SM of how to Flip a Flop!

How's this for a fantastic example!

The Flop: My flop was when Miss Steph gave me a maths sheet and I didn't get the right answer and I didn't have a go to try and figure it out.

How I flipped that flop: I asked Miss Steph for help and then she explained it to me again. Then I went back to my table and could work out the problem because I knew what to do.

Step Up September

It has been a fantastic month of dancing, yoga and mindfulness! A very big thank you to Sallyann Scicluna who came up with the idea to run the sessions and prepared all the music and routines for the before school sessions. It was great to finish off our Step up September with the chicken dance!
