To achieve this the school has developed and actively enforces Child Safety Strategies to ensure that any person involved in 'child connected work' is aware of their obligations & responsibilities for ensuring the safety of all children under their care.

In accordance with requirements of the [Victorian Government's Ministerial Order No 870](#), St John Bosco's Primary School maintains a culture of 'no tolerance' to child abuse and to support this has established minimum Child Safety Standards.

ST. JOHN BOSCO'S SCHOOL

St John Bosco's Primary School maintains policies, procedures and strategies to create a child safe environment in the following areas.

Risk Management

St John Bosco's Primary School recognises the importance of minimising the potential of Child Abuse or harm and uses this process to inform our policies, procedures and activity planning. In addition to general Occupational Health & Safety risks the school proactively manages risk via a formal assessment process.

Code of Conduct

St John Bosco's Primary School enforces a Code of Conduct for all staff members, clergy, casual relief teachers, volunteers, and contractors that clearly defines workplace expectations including professional boundaries, ethical behaviours and acceptable & unacceptable relationships.

This Code of Conduct aims to provide guidance and support to individuals so that they feel valued, respected and fairly treated. It is provided to any person engaged in 'Child Connected Work' and is available on the school website & in the Employee Handbook.

Recruitment, Support, Training & Supervision

St John Bosco's Primary School adopts Administrative & Human Resource practices to ensure its screening, recruitment & performance management processes identify and engage the most suitable candidates for positions available at the school. Recruitment and screening processes, as well as Police and Working With Children's Checks are minimum requirements for those engaged in 'Child Connected Work'.

Staff Members are provided with regular development opportunities, support, supervision & training to assist with addressing child safety matters.

Responding to and Reporting Child Safety Concerns or Abuse

St John Bosco's Primary School has appointed a Child Safety/Well being Officer Sommer Azzopardi with specific responsibilities for responding to reports or complaints made by any member of the school community relating to child safety concerns or abuse. The school's Child Safety Officer works closely with members of the leadership team, staff members, clergy, casual relief teachers, volunteers, contractors, students and the parent community to ensure Child Safety Standards are maintained and all child safety complaints, suspected abuse, disclosures or breaches of the Child Safety Code of Conduct are immediately addressed.

Where staff members have significant concerns for the wellbeing of a student or young person they are mandated by law to report their concerns immediately to DHHS Child Protection. Staff are also asked to report these concerns to the Principal, Child Safety Office or a member of the leadership team. Staff members will be supported through all aspects of the reporting process.

The school's reporting & complaints procedure is located on the school website.

Inclusion & empowerment of all students & young people

St John Bosco's Primary School works with students to ensure that they are empowered to understand their rights, recognise what abuse is and encourage them to speak up when they feel uncomfortable or afraid. Staff members actively encourages students & young people to express their views on matters that directly affect them. The school educates students and young people on strategies they can adopt if they feel unsafe.
